User Manual v 1.5

TRIUMPH BOARD Mobile Stand with Electric Lift for LED LCD´s

August 2015

CONTENT

1) Product Description

TRIUMPH BOARD Mobile Stand with Electric Lift for 55", 65", 70" and 84" MULTI Touch LED LCD is equipped with an electric lift that allows for positioning of height within a range of 675 mm.

For the easy addition of LED LCD, the TRIUMPH BOARD Mobile Stand with Electric Lift for LED LCD's is equipped with an assembly hitch corresponding to the VESA standard. For movement, the Stand is equipped with wheels which, if necessary, can be easily blocked to prevent unwanted movements of the Stand.

TRIUMPH BOARD Mobile Stand with Electric Lift for LED LCD's is designed to provide a high level of comfort as well as the quiet and smooth attachment of LED LCD for the entire period of the product's lifespan. Pen Tray and Laptop Tray are optional parts of the Stand.

IMPORTANT – under no circumstances should children or anyone else climb onto or hang on the stand under any circumstances as the unit could fall over and cause serious injury!
