

RF40 Wireless Tablet

TRIUMPH BOARD's revolutionary 2.4G wireless solution uses RF technology so that you can connect with more people for greater interaction! Its sleek, modern design allows you to draw, annotate, edit images and manipulate computer applications without being tethered to a desk or computer. It's a wireless solution that enhances creativity and introduces participants to a new dynamic presentation.

Using a single computer a presenter can connect up to 50 wireless tablets at one time to annotate over existing documents and pictures.

Operating Systems: Microsoft Windows 8 / Windows 7 / XP / Vista / Mac
