# The Powerful Interactive Flat Panel with Android 8.0

The TRIUMPH BOARD Interactive Flat Panel Series is specially designed for meeting rooms and education environments where quality and health matter. The IFP Series provides an innovative, seamless, and problem-free interactive experience.

Packed with features such as anti-bacterial glass, a blue light filter, fast Android 8.0, and smooth wireless presentation, the TRIUMPH BOARD Interactive Flat Panel Series ensures you get the most out of every meeting room and classroom.

Android 8.0

Zero Bonding

IR Touch

Antibacterial & Antiglare Glass

USB Type-C with Power

Wi-Fi Built-in & Hotspot

LAN 1000 Mbps

2x Front Speakers

OPS PC Slot

Remote Management System (optional)

# Modern and Practical Design

Developed to meet the needs and requirements of today's user.

With super-slim bezels, front I/O selection and speakers, executed in stunning white, the Interactive Flat Panel looks exceptional and suits any classroom or meeting room.

## QUICK UNIFIED TOOLBAR

The Interactive Flat Panel's new interface makes navigation simple, with the functions most used conveniently located in a single hub. The toolbar can be set up with the most frequently used apps and 3 tools of your choice.

**Record** - Record your Android screen displaying from any source.

**AirClass** - Easy to use web-based voting system for meetings and classes.

## ANDROID 8.0

An industry-leading chipset solution with Android 8.0 brings great performance of the computing power and reliability. Seamlessly open multiple applications on the screen and multitask without hassle.

## REMOTE MANAGEMENT (optional)

The Interactive Flat Panel supports a convenient web-based remote management system. It enables cluster management functionality for your Interactive Flat Panel. Options include status monitoring, panel grouping, time and channel switching, volume control, and emergency information bulletins. Everything is available in one, unified space.

## ANTIBACTERIAL GLASS

The TRIUMPH BOARD Interactive Flat Panel includes specially coated antibacterial glass that kills germs that can accumulate on the surface and prevents cross-infection during presentation or class.

## Next Generation Writing Experience

Advanced IR touch technology enables responsive touch. A 1 mm air gap between panel and glass, and 1,5 mm touch accuracy ensures a natural, fluid writing experience. Write with different colors simultaneously, erase with your palm. Collaborate easily without limitations.

# Powerful Software Included

Deliver interactive classes and meetings with the powerful software included in every TRIUMPH BOARD Interactive Flat Panel.

Note

## Easy Annotation

Packed with useful features, the Note application brings a powerful solution for interactive meetings and classes.

Object Recognition - handwriting, object, and shape recognition.

Collaboration in different colors at the same time.

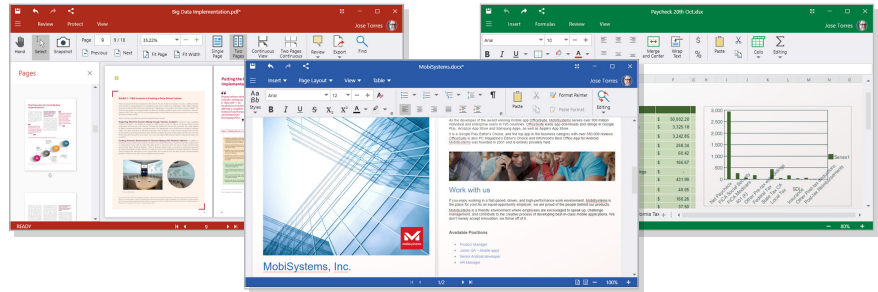

Add pictures to Note, from a USB flash disk to browser simple drag and drop.

## All-in-one Office Application

With OfficeSuite you can easily create and edit any office document on your IFP unit. Share, annotate, collaborate, digitally sign and do much more, including PDF files.

## Wireless Content Sharing Software

Share your screen more effectively and conveniently in the meeting room or classroom, cable free. EShare allows smooth streaming of audio & video files, mirroring of content from your favorite device to the Interactive Flat Panel and much more.

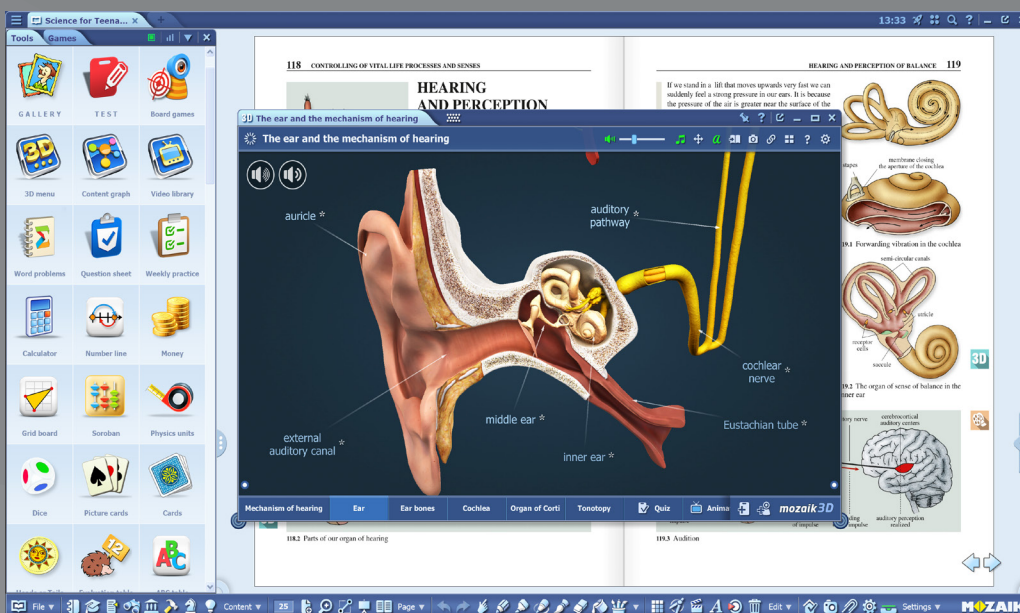

**mozaBook™**  
interactive classrooms

# mozaBook Classroom

Educational Content Software - 1 (one) year free subscription

Windows 10

The mozaBook Classroom software includes spectacular interactive content, built-in skill-developing, illustrative and virtual lab applications, even in 3D, which helps stimulate students' interest and boost their acquisition of knowledge.

More than 100 thematic applications provide a unique way of reviewing and deepening acquired knowledge.

The software supports touchscreen functions, and its user interface can adapt to the display size.

## Optional Accessories

### Stands

TRIUMPH BOARD Interactive Flat Panel includes a fixed wall mount. For your meeting room or classroom you can also choose from wide range of optional stands and lift systems:

### OPS PC and PC PRO

TRIUMPH BOARD OPS PC and PC PRO are the perfect solution for extending your capabilities. Providing seamless access to your Windows OS, they allow you to work in the environment that works best for you.

### Cleaning pads & Wipes

TRIUMPH BOARD Cleaning Wipes, 72% alcohol-infused, completely remove 99.9% of all bacteria and viruses, leaving a clean and clear touchscreen.

### Presenter

Enjoy quick wireless presentations with no set up needed, allowing instant collaboration.

### 4K Webcam & Speakerphone

The TRIUMPH BOARD 4K Webcam is an 8-Megapixel web camera, and together with our Speakerphone is an ideal tool for Video Conferencing using our IFPs.
